The Common Ground Story

This precious park, conceived in the wake of September 11, 2001, is lovingly offered and maintained by the community.

May it stand as a breathing testament to the infinite possibilities present when good people cherish their entire village as home and their neighbor as family.

Like the splendid gardens it houses,
may it flourish and grow.

[Moonlight Memorial Service](#) on 9/11
Gathering begins at 7:00 pm

The Peace Labyrinth is modeled in the mini Chartres design with a crushed red stone pathways lined by paving stones. The labyrinth is an ancient pattern found in many cultures around the world. The path winds throughout and becomes a mirror to where we are in our lives. It touches our sorrows and releases our joys. Walk it with an open mind and an open heart.
